**Zuzu is a magical
little town with
green meadows
and comfy
parks.**

**Magical good
spirits live in
Zuzu.**

**They help
people turn to
good ways by
guiding them
in the right
path.**

**In one of Zuzu's
cozy homes,
lives Drake,
a mean little
munchkin.**

**Drake, really,
really loves
food!**

**However, he
doesn't clean
up after
eating.**

**His mom always
cleans up the
food and
wrapper mess.**

**One fine
day as usual,
Drake eats
breakfast his
mom made.**

**But he leaves
without thanking
her as soon as he
hears the ice
cream truck.**

**Drake's mom is
very, very sad
again.**

Drake still wants
a sweet ice
