

IN THE EYE OF THE STORM

Lt. Colonel Jackson Joseph MacKenzie is a broken man. The Vietnam War and a POW camp where the Cong tortured him left scars. But the worst scar is the one left by his own country. The United States Army sent him and his men on a top-secret mission, then the government disavowed all knowledge of the incident. The country he risked his life to protect sent him to a six-by-eight cell. MacKenzie is out of the physical prison but must now try to escape the one in his mind.
